Zighra Logistics was started with a simple vision of delivering exceptional value to our customers, and it was that zeal for service and innovative solutions that has helped us become a regional powerhouse and leading service provider in the different types of transportation industry in India.

With our own branches in Pan India and our network of different truckers and exclusive partnerships in wider region, we ensure that our customers get a seamless, transparent, and end-to-end service experience for all the shipments we move.

Being a fully integrated service provider, we are able to offer our customers all the services they require under one umbrella.

Assuring you of our best services always, we remain.
Sincerely
Zighra Management
